MUSICAL THEATRE COMPANY AUDITION REQUIREMENTS

SINGING AUDITION

All auditioning should prepare about 32 bars (approximately 1 minute) of a song that shows off vocal talents.

Students who are not currently in MTC may sing any song they feel comfortable with, and may use a backing (karaoke) track on their mobile device or provide sheet music for the accompanist.

Current or former members of MTC must bring sheet music clearly marked. Please sing a musical theatre song. **Students 14 and older** are encouraged to select material that reflects growth made this year and should be prepared with a second, contrasting song choice.

Acting choices and ability will also be taken into account.

An accompanist will be provided. Please, no outside accompanists.

DANCE AUDITION

Students will learn a short combination to show technique, performance ability, and skill in picking up and learning material quickly.

DRESS REQUIREMENTS:

Students will have time to change in and out of dance clothes and audition clothes.

For singers new to auditioning, we recommend dressing as you might for a school picture day. We want you to look and feel your best!

Please wear form fitting dance wear and jazz shoes for the dance call. Please, no baggy pants or tops.

***There will be a singing and dance call for Mini MTC (ages 7-8) on Sat, June 1st at 12:30pm.**

All audition requirements are the same.
